To,

OM CHARITABLE TRUST

Respected Sir / Madam

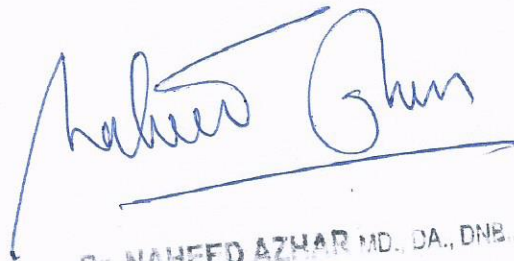

We thank you very much for your most generous donation of personnel protection kits (PPE) and N95 masks for the frontline medical personnel working with COVID19 at our patients at our hospital.

We truly appreciate your commitment to help us in this moment of crisis and help us overcome difficult situations.

With your help we were able to procure this safety equipment for the health workers and this has hugely improved the morale of the work force. Knowing that they are better protected gives them the confidence to work without fear.

We deeply appreciate your timely help. It goes a long way in helping us serve the patients who are at our hospital. We reaffirm our commitment to give our best possible care to all the patients in our hospital who are suffering in this pandemic.

We record our sincere gratitude to PratithSrinivasan and Dr. BalajiSrinivasan for coordinating and selflessly helping us to procure this timely help. Our humble and sincerest thanks to the organization and all concerned.

Dr. NAHEED AZHAR MD., DA., DNB.
